Your generous donation supports CCI-NC's daily operations and allows us to expand our services, reaching more members of our community. Funds will be used to compensate our language teachers, provide scholarships to NC college students, organize community events and round tables, and cover normal operating expenses (like insurance, our website, phone, etc.).

No donation is too small; every contribution makes a significant impact. To illustrate how your support will be utilized for our operational needs, consider the following examples:

- \$50 Support our volunteers to organize CCI-NC events.
- \$100 Covers a teacher's stipend for one lesson at the CCI-NC Italian Weekend School for Children.
- \$250 Purchase books and other school materials for a semester at our Weekend Italian school.
- \$500 Fund an end-of-semester party for our Weekend Italian school.
- \$1,000 Secure 10 seats at the Opera Carolina during one of the classic Italian shows.
- \$2,000 Sponsor one of our Italian community events (such as the tailgate at the Charlotte FC game).
- \$2,000 Fund one CCI-NC scholarship for a NC college student. The more we can offer, the more we can contribute to NC's Italian-speaking workforce!
- \$5,000 Cover catering for the Round Table Private Dinner with VIPs from the State to ensure they know the contributions Italian companies are making in North Carolina.
- \$7,500 Secure 150 seats at the next Charlotte FC event, support our family-friendly community event, and have 11 students from our Italian School walking onto the field with the players for the National Anthem.
- \$15,000 Fund one year of compensation for our entire Weekend Italian school teaching team.
